60W PORTABLE SOLAR PANEL

Klein's 60W Foldable Solar Panel harnesses the sun's power to keep the job running. A quick and easy way to charge your power banks, power stations, and portable batteries with the built-in, extended length Anderson Powerpole® / DC cables. Or simply recharge your USB devices with the integrated USB port.

- APP® cable chains an additional solar panel for twice the charge power
- Kickstand maximizes the surface exposed to the sun
- Monocrystalline panels fold up for easy storage
- Integrated USB-A port for direct charging of USB devices
- Includes a 16.4-foot (5 m) APP® cord and APP® connector to 8mm DC
- Convenient mounting or staking eyelets
