DBC-3824

Designed for installing computer, security, phone, and cable small wire systems, this bellhanger drill bit provides extra reach where needed and a hole in either end of the bit to help pull wires through holes. This bellhanger drill bit also features the following:

- Aggressive composite tip cuts through wood and masonry walls with ease
- Holes on the tip and end of the bit allow for pulling of wires after drilling
- 24” length for even greater reach
- Black oxide coated shaft and powder coated blue for greater rigidity, durability, and rust resistance
