

ABS Transparent Case for Raspberry Pi Zero/ Zero W

SKU:FIT0604

This ABS Transparent Case is designed for Raspberry Pi Zero/ Zero W. We reserved large connecting hole for its GPIO and camera port. In addition, the connecting graph of Raspberry Pi's GPIO 40Pin has been printed on the product's cover to make it convenient for your connection. This simply designed case is practical and durable, which is the perfect choice for your Raspberry Pi Zero/ Zero W.

Note: This product does not include a Raspberry Pi Zero/ Zero W.
