iFixit Jimmy

The Ultimate Device Opener

- Handy tool for "jimmy"ing open electronics.
- High quality steel blade easily slips between the tightest gaps in the toughest devices.
- Ergonomic handle and tough steel blade make it easy to "jimmy" devices open. Disclaimer: With great power comes great responsibility. With Jimmy's great strength comes the potential to scratch or otherwise damage components that might be better served with plastic tools such as a spudger or plastic opening tool.
