

Nomad Threaded Table

TOL-14794

If you need more ways to hold material in your Nomad, this Threaded Table provides you with plenty of connection points. Each Nomad Threaded Table is approximately 8in by 8in (~203mm by ~203mm) and ½" (12.7mm) thick and contains 72 M6x1 threaded holes. With as many connection points that the threaded table has, you will have plenty of possible configurations to mill and fabricate with!

The Nomad Threaded Table comes with the table and five M6 screws to attach it to your Nomad 883 Pro.

INCLUDES

- 1x Nomad Threaded Table
- 5x M6 Mounting Screws
