- Compatible with USB-C ready computers, smartphones and tablets with OTG support
- Thunderbolt 3 Compatible
- Minimizes EM interference with precision engineered anodized aluminum design
- Sleek portable design

Stream, Connect, and Charge

The EZQuest USB-C Multimedia Charging Adapter connects your MacBook's, USB-C ready computers, smartphones and tablets USB-C port to an HDMI display, while also connecting a standard USB device and a USB-C charging cable. Charge, stream movies in full 4K HDMI, and stay connected with your standard USB port all at once.

Full Video Quality

Mirror your MacBook display to your HDMI display in up to 1080p at 60Hz or UHD (3840x2160) at 30Hz. It also outputs video content such as movies and home videos. Simply connect the adapter to the USB-C port on your MacBook and then to your TV or projector via an HDMI cable (sold separately).

Stay Connected, Charged, Synced and Transfer Data

Use the standard USB 3.0 ports to connect devices such as your flash drives, camera, external hard drives or a USB cable for syncing. You can also use the USB 3.0 port with BC1.2 for charging your iPhone, iPod and more. The huge variety of portable devices with differences in USB ports, and complicated nature of rechargeable batteries, the USB Battery Charging (BC)version 1.2 is a critical standard for establishing the proper way to charge a battery from a USB port. The USB 3.0 port is equipped with BC1.2 so you can charge your devices with peace of mind.

USB-C 100 Watts | BC 1.2 USB 3.0 | 4K 30Hz | OTG Compatible | FC | CE | RoHS COMPLIANT

Specification:

- Part Number: X40018
- UPC Code: 694307400184
- Input: USB-C / USB Type-C
- Output: 1 X HDMI up to 1080p @60Hz or 2K, 4K @30Hz
- 1 X USB-C with Power Delivery 3.0 for Charging up to 100 Watts (20V/5A)
- 1 X USB 3.0 with BC 1.2
- Thunderbolt™ 3 Compatible
- Power: Due to the power input limitations of mobile devices, this hub is not suitable for pass-through charging tablets including iPad Pro or phones (when using the original wall charger that came with iPad Pros or phones). To support full-speed charging for iPad Pro, please check your adapter supports 15V (45W)
- One (1) year limited warranty
