DESCRIPTION

Elly the Elephant is a walking cardboard animal sculpture that you assemble from pre-cut and scored cardboard pieces, made in the USA by Kinetic Creatures. Elly walks when you turn the included wire handle, or Elly can walk with mechanical and electrical additions, such as Lego motors or the Kinetic Creatures Motor Kit.

Elly the Elephant Kit includes:

- 25 pre-cut and scored cardboard pieces
- wire turn-handle
- Printed and online video instructions

Size: 11.5" tall x 15" long

Recommended for ages 11 and up. Contains wire and small parts. No glue or tools required.
